# The Company

For over 50 years, JohnsonSuisse has been a leading brand name in the Malaysia sanitary ware industry providing homes, business and industries with a complete solution of bathroom products. In 2006, the company was acquired by Spain's ROCA Corporación Empresarial S.A.

Guided by its parent company the ROCA Group - one of the world's leaders in the bathroom industry, operating in over 136 international markets, JohnsonSuisse has become a major supplier of commercial sanitary ware throughout Asia Pacific, Middle Eastern and Australian market.

Both companies are expected to enhance and strengthen the JohnsonSuisse brand name and its presence locally and internationally. The JohnsonSuisse brand has become the reference point for consumers and professionals.

In 2016, Roca established a modern spacious 8,000 square feet Roca Experience Centre, showcasing the extensiveness of the JohnsonSuisse products. JohnsonSuisse sanitary ware are made from durable, scratch-resistant vitreous china, and are polished with high quality glaze, which carries a lifetime warranty against manufacturing defects. To date, JohnsonSuisse range of commercial and residential bathroom products are widely used in prestigious buildings, hotels and residential projects worldwide.

Tavenna Wall-hung Urinal

# Installation System

Essential high-grade flush mechanism brings a bathroom to life. Sophisticated concealed flush plates offer a discreet look by hiding the cisterns and accommodate a choice of automated flushing, while exposed flush valves cater to user-friendly manual flushing.

**Guide:**  
 Water efficiency labelling scheme (WELS) ratings based on flush capacity:  
 ✓ Good: 4.5 / 3 litres  
 ✓✓ Very good: 4 / 3 litres  
 ✓✓✓ Excellent: 3.5 / 2.5 litres

# Bath Tubs

Bath tubs add comfort and relaxation into the moments of enjoyment in the bathroom. The perfect bath tub from bathing depth to material, enhances the usage experience. JohnsonSuisse ensures a bath tub that promises pleasure and functionality.

**Guide:**

- Recessed bath:** A bath tub that has all or part of the tub resting beneath the finished floor (as opposed to a freestanding bath tub)
- Anti-slip base:** A non-slip surface for safety
- Handgrip:** A handle to hold and grasp

# Enamelled Steel

JohnsonSuisse's enamelled steel bath tubs are made of three-coats-two-fires enamel steel, and elite material with the maximum degree of abrasion, scratch and impact resistance.
